Lifetime cover is a comprehensive form of pet... Pet insurance is a long-term commitment. It's not just about covering the cost of a vet visit or a prescription. It's about protecting your pet's future. If you're considering pet insurance, there are a few things you should know. First, not all policies are created equal. Some will only cover accidents, while others will cover everything. Second, the cost of pet insurance can vary significantly. Third, you should always read the fine print. And finally, pet insurance is a great way to ensure your pet's future. So if you're looking for a pet insurance policy, make sure you choose one that offers lifetime cover. This way, you can rest easy knowing your pet is protected for the rest of their life.
