Big changes are brewing in the movie industry: Emerging digital technology is about to revolutionize studios as well as your local movie theater. Find out why Hollywood's going digital! By Tom Harris If you've ever seen an IMAX movie, you know it's not a typical film. It sometimes takes years to produce, resulting in an incredible unmatched viewing experience. Find out all about this amazing movie-making technology! By Marshall Brain Spielberg has said that sound is the major technological achievement of contemporary film. Indeed, much has changed since the first 'talkies,' when a musical score and a few bits of dialogue first made cinematic history. By Jeff Tyson When you see the THX logo splashed across a movie screen, and hear the trademark Deep Note, you know that you are in for an audio feast. But what does that logo mean? Find out what THX is and why it improves your movie experience. By Jeff Tyson When you sit down in a movie theater the screen is the center of attention. But have you ever walked up close and looked at it? Discover the intricacies of a movie screen and learn how to find the best seat in the house. By Jeff Tyson When you see a movie in the theater, do you notice the projector? Without it, you'd be staring at a blank screen. Enter the projection booth and learn what it takes to show a movie. By Jeff Tyson At best, 'Bicycle Thieves' might qualify for a harmless one time watch. It certainly does not qualify as a thief of viewer hearts. Nov 30, 2013 By Veeyen In 'Bicycle Thieves', Asif Ali plays Chackochan who has had a miserable childhood ever since his parents had decided to end their lives, leaving him all alone. He flees on a stolen bicycle, and runs into a bicycle thief (Salim Kumar) and his two young accomplices (Saiju Kurup and Bineesh Kodyeri). However the team splits up, after a highly ambitious plan to loot a business man (Sai Kumar) goes kaput, and Chacko relocates to another city far away.A lack of focus is the chief downer in 'Bicycle Thieves' that takes almost an hour to establish the basic narrative. You feel like you have found the major characters, when all on a sudden they make their exit, and a whole crop of new ones walk in. and thus it goes on, for a very long while, until the half time break comes up on screen. The story goes off on another tangent altogether after a while, and its here that Meera (Aparna Gopinath) enters the scene. A bank employee by profession, she does not realize the conman that Chackochan is, and is quick to fall in love with him. And for Chacko too, life seems all afresh, with the loneliness that had pervaded all over, slowly vanishing into the thin air.Of the many characters that walk in and out of the film, the lawyer named Kashi (Vijay Babu) does catch your attention, precisely because of the slightly odd character that he seems to be. Chackochan takes up a part time job as his driver, and then you start wondering where the whole thing is headed, with very few of these events actually making real sense. The real task of the film maker then lies in pulling all these disjointed pieces together, thereby lending them a proper frame, and placing them at vantage positions in the narrative, so that together they flow out smooth. But sometimes, it so happens that this isn't so much of an easy task, and despite all earnest efforts, a few pieces jut out like unrelenting pieces of rock along the way.The last fifteen minutes therefore consists of twists galore, and you end up suffering from a twist overdose. Some stories simply do not have the potential to suffer a series of surprises or shock, and this is one such; so when the shockers are forcefully wedged into the storyline, along walks in something called implausibility.The reason I tell you this, is because several years and several kilometers away from the life that he has had enough of, the people around Chackochans remain the same. It should indeed be a very small world for the man to run into all of them time and again and it's here that the improbability ruins the entire picture. Asif Ali has a worthy opponent when it comes to performances, and Vijay Babu seems to be getting better with each film. Aparna Gopinath is remarkably charming, though she looks pretty much the same as she did in her debut film. At best, 'Bicycle Thieves' might qualify for a harmless one time watch. It certainly does not qualify as a thief of viewer hearts. Kunchako (Asif Ali) lost his parents at an early age and has been living with relatives who dislike him. Fed up with life there, Kunchako leaves their home after stealing their bicycle.Kunchako (Asif Ali) lost his parents at an early age and has been living with relatives who dislike him. Fed up with life there, Kunchako leaves their home after stealing their bicycle. A not-so-boring Suspenseful FilmIt seems that the movie has been created to suit the title. The Italian classic by the same name can never be compared with this movie. I personally liked this movie as it could kill time and give a decent climax. Apart from the pointless twists, there is nothing wrong with this movie.Asif Ali's character is over hyped, I guess. All the unwanted background scores and slow-mos made me sick. But he has played his part well; his spontaneous way of acting saves us from boredom. The film gives some good laughs. Aju Varghese- Balu Varghese combo is superb. Vijay Babu's character is annoying and sensible at the same time. He has done his job well. Aparna Gopinath and Asif Ali makes a good pair. As I mentioned earlier, the twits in the plot is totally awesome but are somewhat pointless. As I have not given a spoiler alert, I am not going deep into it.Other details:- Alcohol? Yes Violence? It stars Asif Ali in the lead role alongside Aparna Gopinath with Salim Kumar, Saiju Kurup, K. P. A. C. Lalitha, Aju Varghese, Sunil Sukhada and Siddique in other pivotal roles. The film also features Sai Kumar and Devan. It received mixed to positive reviews from critics.[1] Summary Chacko lost his parents early in his life. After years of struggle, he ends up with a gang of friends who steal bicycles for a living. Their fate changes when they try to aim for more. A heist goes wrong and the gang gets split. Chacko moves to another place where he continues with his tricks, on a bigger scale. During one of those endeavors he meets Meera, a bank employee, and they fall in love. The first half of the film is used to introduce each character, without divulging many details; the viewer may guess that they all could have a possible role in the suspense later on.[2][3] Cast Asif Ali as Kunchacko/Chacko Aparna Gopinath as Meera Mathews Salim Kumar as Bose Prakash/Bossettan Siddique Sunil Sukhada as Fa.Idayil Chodiyar Kishore Sathya as Sleeve Varghese Jaffar Idukki as Sajeer Bhayi Saiju Kurup as Rameshan K.
